NAMAR

NORTHEAST ATLANTA METRO ASSOCIATION OF REALTORS

Welcome

Over 50 years, the Northeast Atlanta Metro Association of REALTORS® (NAMAR) has been one of the largest REALTOR® Associations in the State of Georgia. Currently, NAMAR has over 5500 members and for over 50 years has gathered to recognize the “best of the best” in our industry at our annual Million Dollar Club Awards Gala.

Membership in the Million Dollar Club this year is based on total gross commission production of at least \$75,000 for individuals and \$150,000 for Teams in Gross Commission Income.

The Phoenix Award is a distinguished honor for members who consistently have met the requirements of the Million Dollar Club for ten years. Additional Phoenix levels have been added to recognize those that have qualified for: 20 years – Double Phoenix; 30 years – Triple Phoenix; 40+ years – Lifetime Phoenix.

Lastly, the Top Producers are recognized for their high level of accomplishment for the year in Gross Commission Income for Individuals in the Commercial, Residential, and New Homes Categories and Partner, Small, Mid-Size, Large and Mega Teams.

The Northeast Atlanta Metro Association of REALTORS® would like to thank Chair Denise Quinlan and immediate Past President Lisa Oden, along with the entire Committee, for the many hours spent reviewing the applications for validity and accuracy.

Congratulations, to the recipients of the 2021 Million Dollar Club!

Since 1969, RPAC has been working to advance the American Dream of property ownership. In its first year, the Real Estate Political Education Committee (REPEC) had 300 investors with contributions totaling \$28,000. Since then, the REALTORS® Political Action Committee (RPAC) has grown to more than 400,000 participants investing more than \$9 million to RPAC at the federal level and \$36 million at all three levels of the association. With the continued support of REALTORS® like you, RPAC is looking forward to what we'll accomplish in the next 50 years — for our businesses, our clients, and our communities.
