

The REALTOR® Difference

Protecting Your Investment

Did you know? Only REALTORS®, not licensees, are fighting right now to preserve the federal Mortgage Interest Deduction on first and second homes.

Did you know? Only REALTORS®, not licensees, fought to create a tax exemption on the first \$500,000 of capital gains from the sale of a principal residence.

Did you know? Only REALTORS®, not licensees, are the only line of defense against government legislation and taxation of your home.

Any real estate licensee can help you buy or sell a home, but only a REALTOR® keeps working to protect your investment long after the sale.

Not every real estate licensee is a REALTOR®. As a REALTOR®, I have made a choice to help lead the fight to protect your investment, preserve private property rights, and defend the American Dream of homeownership. The political activity of REALTORS® at all levels of government is saving homeowners thousands of dollars over their lifetime.

Protect your investment. Use a REALTOR® when you sell or buy a home.
